

Quality Ingredients to the Food Industry

## The Food Industry's trusted supplier of quality ingredients for over 50 years.

Frutex Australia is an Australian family owned enterprise, established in 1968 by Peter Magiros.

The business' genesis from the humble beginnings of the family cake shop, has evolved over four decades into a leading food ingredient business supplying over 3000 ingredients to the food industry in Australia and exporting to the Asia Pacific rim.

## INTRODUCTION

### *Frutex Australia Pty. Ltd*

Frutex Australia operates from its Sydney headquarters, The new warehouse and freezer plant, research and development, and technical laboratories are all strategically located in Kingsgrove, in the hub of the Sydney metropolitan area; 7km from the Sydney International Airport and Port Botany. It has a purpose built, state of the art warehousing, distribution and manufacturing facilities. The warehousing facility has holding capacity for 30,000 pallets with the site encompassing 18 acres.

Frutex is a national organisation with sales offices in Sydney, Melbourne, Brisbane, Adelaide and Perth. Our sales force is a fusion of the young and passionate, teamed with the seasoned industry experts. Internationally, Frutex has commercial offices located in Izmir, Athens, Singapore, and Cochin.

Frutex' objective is to create value for its customers through innovation, product development and continuous improvement. The Frutex vision is to be a leader in the procurement and delivery of food ingredients, which are of the highest quality, and the best value without compromise.

Frutex is accredited with the highest standard of food safety systems including SQF, GMP and HACCP.

The commercial team source material from long standing accredited and certified partners who are the best in their field.

Frutex' success and growth over the past four decades, is attributed to its consistent, reliable and experienced management team.

Frutex is proud to have created the following brands: Spicemasters Australia, Speedyberry, Flavormaster and Monsoon Malabar Coffee and Tea. The recent acquisition of Windsor Farm, an iconic Australian brand compliments our existing range and has ensured the continuity of this Australian household name, in the Australian market place.

## INTRODUCTION

Speedy Berry is an Australian family owned business and one of Australia's leading marketers, manufacturers and distributors Of the highest quality frozen fruit with a focus on quality. Our fresh frozen berries can be found in stores across the country and around the world.

Frozen Fruit: the sweet juicy mouth-watering flavor of fresh frozen fruit is complemented by their natural health benefits. Prized for their sweet, pungent flavours, frozen fruit are a good source of vitamin c, folic acid, fiber, potassium, calcium and iron. Frozen berries have one of the highest levels of antioxidants, natural substances that slow the aging process and guard against cancer and heart disease.

Here at Speedy Berry we maintain tight controls over every process from, processing, packing, size grading, x-ray and metal detection, visual inspection, packing and distribution.

Our processing plant uses the most modern and effective technology to set the highest cleanliness and sanitation standards in the berry industry. SpeedyBerry is accredited with the following quality standards; SQF, HACCP, GMP Kosher, Halal.

Driven by the desire for excellence, our objectives for continually improving the existing technology with innovative systems such as controlled atmosphere and rapid cooling systems. Our process is constantly being refined to reduce handling time.

We are constructing a new production facility and 7000 pallet freezer storage inclusive of robotic technology for the efficient production of our products.

These measures provides a safe product for the end user. Our high standards ensure that customers will be delighted by the berries freshness, luscious color and succulent taste order after order.

Our objective at Speedy Berry is to supply our customers with frozen fruit at the highest level of quality and service.

Speedy Berry, deliver to the Sydney metropolitan area on a daily basis using our own freezer transport. SpeedyBerry has a dedicated sales force nationally and are currently exporting to destinations as far away as: Singapore, China, Phillipines, India.
